

THE QA-633Q IS ESPECIALLY DESIGNED FOR YOU.

0.6 HP

QA-633Q

97° AIR DIE GRINDER

It is a pity to miss it. You have to buy one.

TIME SAVING **POWER INCREASE 100%**

comparing to normal air die grinders

Powerful QA-633 can provide 0.6 HP, plus 97 degree angle to reduce wrist fatigue, more efficient to complete jobs when comparing to other air die grinders

MONEY SAVING **DURABLE NO GEAR TYPE DESIGN**

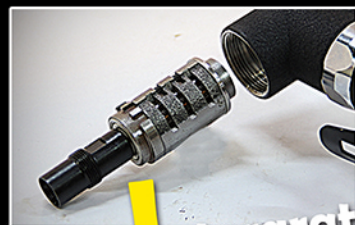

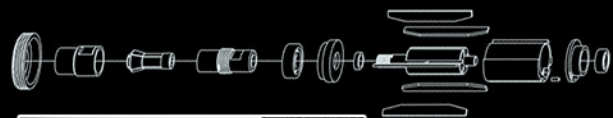

It is a breakthrough of a traditional mechanic design that prolongs lifetime,

raise maintaining speed **200%**, and reduce maintenance costs.

REDUCE PHYSICAL LOADING

the sound pressure reduced to **75 DBA**

, plus back exhaust design that lets you work comfortably and reduce your physical loading.

Integrated Rotor Design

Copper Made Silencer
